C. Please answer those questions based on the text!

My name is Rendra Hermawan. I am 19 years old. I graduated from SMAN 1 Sumenep. Then, I continue my study in Electronic Engineering Polytechnic institute (PENS) Sumenep, focusing on multimedia broadcasting department.

There are two departments in PENS Sumenep, Multimedia broadcasting and informatics but I am more interesting to study about multimedia broadcasting. When I was a child, I loved playing drama with my friends. Then, my father always tells me that I will be very fit being a film director. So that, I really want to reach this childhood dream.

Actually, I come to the campus everyday but I do not get full day class. Usually, I arrive in the campus at 07.45 am then start the class at 08.00 am and finish the class in different hours each days. I enjoy my days even though I will have a part time job after class. i really hope that I will get what I wish.
